I've been parking at SAV Airport for a long time and just became aware of the SAV PARKING REWARDS Frequent Parker Program. Can I receive credit for past parking stays?

How do I redeem points for FREE parking?

First, login to your **SAV PARKING REWARDS** account, select "Redemptions" and then checkmark the box "Redeem Points on next visit". You will then click the gray box that says, "Create Redemption". Note: The system will use the total available points in your account and adjust how many points are used based on the location you park in. If you park for more days than you have points, the balance will be charged to your credit or debit card on file. You will receive points for the cash portion of this transaction.

Upon arriving at the airport, simply enter and exit your preferred parking location, as usual, with your **SAV PARKING REWARDS** Automated Pass or license plate in order to have the points credit applied to your account. **There are no certificates to present or reservations required prior to entering the lot.** The transaction will be handled through the automated system.

Please Note: If you are already parked and you forgot to create the redemption, you can do so after you have entered the parking garage or lot. However, the redemption must be created prior to exiting.
